Managing Impression

Q.1 what is Impression management?

Ans: → Impression management starts with - how we complete our task or work at workplace. If we complete our work ~~at~~ on time in that case we create our Impression about punctuality. After that how our appearance at work place, how we communicate with our colleagues etc.

Q.2 what are some examples of Impression management?

Ans: →

- ① How we appear at our work place.
- ② How we behave with our colleagues.
- ③ our work ~~at~~ in office.
- ④ Our presentation style.
- ⑤ All that things that make you - different from other employees.

Q.3 what are some ways to improve Impression management?

Ans: → To improve our Impression upgrade your knowledge & skills timely, behave politely with your colleagues & seniors. Do your work on deadlines or before deadlines. And do things like make you different from other employees.
