## Effective Communication

Q.1 How Communication is important at work place?

Ans. → Communication is important at work place because by communicating with your colleague or your team members you can do your work or task easily. When you present your presentation in front of your seniors & team members at that time your communication is more important.

Q.2 Explain your communication style?

Ans. → My communication style is The Duty Fulfiller. I am the person like who have to complete their work on time. And I don't believe to take any shortcut to complete any task. I have all the quality of duty fulfiller as I never say NO to anyone. I say NO rarely at my workplace.

Q.3 Importance of communication during Interview?

Ques. Communication is most important thing at the time of Interview because if you don't have the communication skill you can't answer the questions of Interviewer.
